

**Short-term work shop (Karyashala)  
on  
“Basic Animal Cell Culture Techniques”**

(Under the KARYASHALA Scheme - A SERB initiative)

Date: 23<sup>th</sup> July to 29<sup>st</sup> July, 2022

Science and Engineering Research Board (SERB),  
Department of Science and Technology, Govt. of India under  
Accelerate Vigyan Scheme  
Organized By

Department of Biochemistry  
School of Interdisciplinary and Applied Sciences  
Central University of Haryana

**Registration  
Open**

**About Central University of Haryana (CUH):**

Central University of Haryana is one among the central universities established under the act of ‘Central University Act-2009’ by Act of Parliament. CUH is fully funded by UGC and accredited in Grade-A by NAAC. The campus of CUH distributed in 488 acre of land in Jant-Pali villages and provides 72 academic programmes.

**About Department of Biochemistry:**

Department of Biochemistry is a young department under the School of Interdisciplinary and Applied Sciences begun the functioning in 2015. Biochemistry Department provides excellence knowledge and skills with degree education in new area of research.

**About the Workshop**

This short-term workshop is intended for beginners to teach and train them in mammalian cell culture techniques using the human/cancer cell lines for various experiments. The workshop will be supported by lectures on basic cell culture techniques, media preparation, gene/protein expression, and cancer cells.

**Who can attend?**

Students of Science background with Master degree and research scholars affiliated to any institute and university

**Resource Persons:**

Dr. Bhavani Shankar Sahu (NBRC, Gurgaon)

Dr. Prasad Tammineni (Univ of Hyderabad, Hyderabad)

Dr. Pallabi Mitra (Univ of Hyderabad, Hyderabad)

Dr. Madhavi Gorla (JNTU, Hyderabad)

Dr. Narender Dhanias (Delhi University)

Prof. Pawan Kr. Maurya, CUH

Prof. Gunjan Goel, CUH

Dr. Antresh Kumar, CUH

Dr. Vidyullatha Peddireddy, CUH

Dr. Saurabh Saxena, CUH

Dr. Usha Nagarajan, CUH

Prof. Neelam S Sangwan

Dean, SIAS and Research

**Prof. Pawan K Maurya**

Organizing Secretary

Head, Biochemistry

**Important Dates:**

**Last Date of Registration**

**16/07/2022**

**Display of Selection List:**

**20/07/2022**

**Workshop Dates:**

**23/07/2022 to 29/07/2022**

**Event Organizer:**

**Dr. Mulaka Maruthi**

Department of Biochemistry
