 - (i) Value Architecture and Value Engineering: That the Architects involved suggest value architecture with a view to economize the project by avoiding unnecessary high cost options, without compromising on quality. The Value Engineering also aims to achieve the same goal.
 - (ii) That the master plan not only takes care of the immediate requirements but also takes into account future expansion scopes for varied and unforeseeable needs.
 - (iii) That the implementation of the project is properly prioritized so as to take up only essential works in the first/earlier phases e.g. teaching-learning infrastructures like class rooms, hostels, faculty residences etc. It may also consider certain modular designs, which can be expanded gradually in future as per requirements.
 - (iv) That the Faculty residences are as per immediate needs.
 - (v) That the Guest House should not be too big which remains underutilized.
 - (vi) That a 'Plantation Master Pan' for the whole campus, involving experts in landscaping, horticulture, forestry etc., is prepared to plant maximum number of trees and plants, wherever possible, e.g. along boundary walls/roads/tracks, in empty spaces which are not to be used for any other purpose.

- (vii) That the green building concept is adopted so that the proposed buildings are less power consuming. Use of solar energy should be promoted.
- (viii) The Planning should include rain water harvesting and waste water recycling.
- (ix) That no wasteful expenditure is incurred on any component.
- (c) Maintenance and upkeep of the University Buildings.
- (d) Assess the cost of repairs, additions, alteration and demolition of the University Buildings annually and prepare the Budget for the same to be submitted for approval of the Executive Council.
- (e) Exercise all such powers, as delegated to it by the Executive Council from time to time.
- (f) Constitute one or more Sub Committees to look after any of the functions responsibilities assigned to it.
- (g) Completion of the buildings in accordance with the approved plans and estimates and proper Utilization of the funds received from the University Grants Commission, the Government and from the University's own resources.
- (h) Meet at least twice in a year, or as and when necessary.
- (i) 1/2 of the members of the Building Committee shall form the quorum for holding meeting of the Building Committee. However, presence of atleast three Engineers and one Architect is must.
- (j) Proposals for construction/renovation/repair costing more than Rs.75.00 lakhs will be sent to UGC for examination by the Standing Committee.

Whether conclusions of the Inquiry Committee, in its Report dated 15.01.2016, that complaints against appointment of Dr. Sanjiv Kumar to the post of Associate Professor in the department of English, do not bear any substance and that due process of selection was followed in making appointments to the two posts of Associate Professors in the Department of English of the Central University of Haryana in the year 2013?

The Registrar of Central University of Haryana (Mahendergarh) with reference to the above Query has sought my opinion, on the conclusions reached by the Inquiry Committee. The relevant record has been forwarded to the undersigned with the request that any additional information, if required, may be called from the University and/or from the concerned persons. Facts in brief emerging from the record are as follows:

Brief Facts:

(i) Two posts of Associate Professor of English, in Central University of Haryana ("the University") were advertised vide No. 3/2012, as per UGC Regulations, 2010. On that date, one Dr. Bir Singh Yadav and Dr. Sanjiv Kumar were already working there on deputation as Associate Professor and Assistant Professor respectively, in the department of English. Nineteen applications were received for the said post including that of Dr. Bir Singh Yadav and Dr. Sanjiv Kumar.

(ii) The VC of the University constituted two members *Scrutiny Committee* comprised of (a) Prof. Dr. Rajul Bhargawa, former HOD Department of English, Rajasthan University and (b) Dr. Ranjana Lall, former Principal, Govt. College, Gurgaon for scrutinizing the applications. The Committee held its meetings on 28.10.2013 and 29.10.2013 and after scrutiny six applicants were found eligible for the said Post. The applications were scrutinized as per UGC (Minimum Qualifications for Appointment of Teachers and Other Academic Staff in Universities and Colleges and Measures for the Maintenance of Standards in

Higher Education) (2nd Amendment), Regulations, 2013, based on weightages given to the performance of the candidates in different relevant dimensions and his/her performance on a scoring system proforma, based on Academic Performance Indicators (API) as provided in Regulations (Appendix III) viz. (a) Academic Record & Research Performance - 20 marks; (b) Research Performance based on API Scores and quality of publications – 40 marks; (c) Domain Knowledge and Teaching skills on the basis of Presentation - 20 marks; (d) Interview- 20 marks. The minutes were duly drawn and signed by the members. The regulations further provide that API scores will be used for screening purposes only and will have no bearing on expert assessment of candidates in Direct Recruitment/CAS. Applying these norms, six candidates were found eligible and they were called for the interview.

(iii) A selection committee was constituted for the said posts which comprised of (i) Maj. Gen. (Dr.) Ranjit Singh, Vice Chancellor, Chairman, (ii) Prof. Kalpana Purohit (Expert), (iii) Prof. Shrawan Kumar (Expert), (iv) Prof. A.K. Awasthy (Expert), (v) Prof. H.S. Chandalia, (vi) Deputy Registrar, Ex-Officio Secretary. They interviewed the shortlisted candidates on 31.12.2013 at 10.30 a.m. in the office of the Vice Chancellor, at the permanent campus of the University. Out of the six candidates, four appeared for the interview and two were selected and one was kept in the waiting list. The Selection Committee made the following recommendations:

- (a) Dr. Bir Singh Yadav s/o Sh. Sant Ram (61.8% out of 100)
- (b) Dr. Sanjiv Kumar s/o Sh. Dharam Singh (60.80% out of 100)
- (c) The Selection Committee also recommended, three special increments to *Dr. Sanjiv Kumar* with effect from the date of his joining [at Sr.No.(ii) above].
- (d) The Selection Committee in alternative recommended that if any question arises regarding minimum number of candidates for two posts *the candidate at Sr.No.ii is recommended for deputation* for not less than five years against the existing post or supernumerary post as per Statute 19(i) of the Central University Act, 2009.

(e) Dr. Karan Singh s/o Sh. Bhim Singh, who had also appeared in the interview, was kept in the *waiting list*.

(iv) Minutes of Selection Committee with the above recommendations were signed and approved by the VC. The appointment letter was issued to Dr. Bir Singh on 31.12.2013 (date of interview) as a regular appointee. It was reported to the EC in its meeting held on 04.01.2014. Dr. Sanjiv Kumar was issued an appointment letter dated 06.01.2014 as a regular appointee. Both of them joined as an Associate Professor in the department of English on 08.01.2014. It may be noted here that Dr. Sanjiv Kumar's request for retention of his lien on the earlier service in the Department of Higher Education, Haryana was denied by government vide letter dated 07.07.2014. However, Dr. Bir Singh's lien on his previous service was allowed by the authorities, which stood automatically terminated on his confirmation on 08.01.2015.

(v) Complaints dated 29.05.2015, 17.08.2015 and 03.10.2015, alleging discrimination, bias and favoritism shown in the matter of appointment of Dr. Sanjiv Kumar, to the said post, were received in the University directly, as well as from the office of Prime Minister & Ministry of Human Resource Development, Government of India. The VC constituted an Inquiry Committee comprising (a) Prof. S.C. Bhatla, Department of Botany, University of Delhi, Delhi (Chairperson); (b) Dr. S. Laxmi Devi, Former Principal, Shaheed Rajguru College of applied Sciences for Women, New Delhi, EC Member, Central University of Haryana; and (d) Dr. Vikas Gupta, Joint Registrar, University of Delhi, Delhi (Convener). Dr. S. Laxmi Devi expressed her inability to accept the assignment and in her place Dr. P.C. Patanjali, Member EC was proposed to be included in the Committee, but he also expressed his inability to accept the assignment. Thus, two remaining members held the enquiry.

(vi) The Inquiry Committee on the basis of record, vide its report dated 15.01.2016, concluded as follows: *"After careful analysis of the facts and circumstances above, the Committee comes to the conclusion that the allegations made in the complaints referred above with regard to the appointment of Dr. Sanjiv Kumar to the post of Associate Professor do not bear any substance in them. The available records and facts suggest that due process of selection had been*

Sh

followed in making appointments to the two unreserved posts of Associate Professor in the Department of English. The complaints received by the University may therefore be disposed of accordingly."

(vii) On perusal of the Inquiry proceeding record, it was found that the affected persons were not given any opportunity of being heard and the process adopted was not in consonance with the principle of natural justice. It was felt essential that the affected persons should be provided an opportunity of hearing. Consequently, the Registrar informed in writing Dr. Bir Singh Yadav (complainant) and Dr. Sanjiv Kumar (affected person) to appear and present their respective case before the undersigned on 27.01.2017. On that date, both of them appeared and made their statements.

(viii) Dr. Bir Singh Yadav at the outset, stated that he has no grievance against Dr. Sanjiv Kumar; that he had lodged the complaint because of injustice being meted out to him, as he was not given three additional increments despite the fact, that he was placed at Sl.No.1 in the merit list by the Selection Committee and that his case for the post of Professorship was not being processed. He also stated that allegations made by him in the complaint against Dr. Sanjiv Kumar be treated as withdrawn and closed.

(ix) Dr. Sanjiv Kumar on the other hand, in his statement pleaded that the allegations leveled against him in the complaints are totally baseless and against the record and that he fulfilled all essential requisite as per UGC Regulation for appointment as an Associate Professor in department of English. He also filed some additional papers (through the Registrar) in support of his version.

(x) On withdrawal of complaint by Dr. Bir Singh Yadav, the matter could have been closed. However, as there are two more anonymous complaints, with similar allegations, therefore, it became essential to deal with the allegations contained therein, on merits. Now it would be convenient to deal with various issues/points raised in the complaint(s) separately.

1. ***Whether Dr. Sanjiv Kumar possessed the minimum qualifications, experience and API Score etc. to be eligible for appointment to the post***

Q

of Associate Professor in department of English as per UGC Regulations?

1.1 Clause 4.3.0 of the UGC Regulations 2010, provide for minimum qualification, experience etc. for the post of an Associate Professor and its reads as follows:

- (i) *"Good academic record with a Ph.D. Degree in the concerned/allied/relevant disciplines.*
- (ii) *A Master's Degree with at least 55% marks (or an equivalent grade in a point scale wherever grading system is followed).*
- (iii) *A minimum of eight years of experience of teaching and/or research in an academic/research position equivalent to that of Assistant Professor in a University/College or Accredited Research Institution/Industry, excluding the period of Ph.D. research with evidence of published work and a minimum of 5 publications as books and/or research/policy papers.*
- (iv) *Contribution to educational, design of new curricula and courses, and technology – mediated teaching learning process with evidence of having guided doctoral candidates and research students.*
- (v) *A minimum score as stipulated in the Academic Performance Indicator (API) based Performance Based Appraisal System (PBAS), set out in this Regulation in Appendix III."*

1.2. It is alleged that the period during which Dr. Sanjiv Kumar was pursuing the Ph.D. Degree was wrongly counted while calculating his experience required under the UGC Regulations. The perusal of the candidate's application for the said post and the supporting documents reveal that the candidate got himself registered for Ph.D. degree at Devi Lal University on 23.06.2006 and completed the same on 29.07.2009. However, degree was awarded to him in the year 2012. The record further reveals that prior to his joining to the University as an Associate Professor on 08.01.2014, he worked as a

SH

Lecturer/Assistant Professor on regular basis at Badri Vishal P.G. College, Farrukhabad, U.P. (from 1st December 2000 to 21st December 2001) and as Assistant Professor (English) in Higher Education Department, Haryana from 22nd December, 2001 till he joined the services in the University. Thus, even if the period of 3 years (23.06.2006 – 29.07.2009) during which the candidate was pursuing his Ph.D. is excluded for consideration, and only the period of his earlier and subsequent service is counted, it would show that he was having more than nine years of teaching and/or in academic/research experience, as against minimum requirement of eight years under 4.3.0(iii) UGC Regulations. With regard to other requirements, like number of publications etc., there is no dispute.

- 1.3. It is next alleged that, Dr. Sanjiv Kumar had never guided any Ph.D. or research student as required by UGC Regulation 4.3.0(iv). Dr. Sanjiv Kumar has submitted additional papers viz. copies of the minutes of the School Board held on 07.09.2012 and 16.01.2013 along with the copies of the timetable of the relevant period. The perusal of these papers, clearly show that during the relevant period he was a Guide to the two Ph.D. Scholars namely Ms. Ruchi Vadhva and Mr. Naresh Mahicha in the University itself. Thus, the requirement of Clause 4.3.0(iv) of the Regulations is fulfilled.
- 1.4. It is next alleged that Dr. Sanjiv Kumar had not qualified NET examination under the UGC Regulations and was wrongly given weightage for the same. In this regard, it will be useful to refer to para 3.3.0 of UGC Regulations, 2010, which provides for the requisites for appointment of Assistant Professors. It reads as follows:

"The minimum requirements of a good academic record, 55% marks (or an equivalent grade in a point scale wherever grading system is followed) at the master's level and qualifying in the National Eligibility Test (NET), or an accredited test (State Level Eligibility Test – SLET/SET), shall remain for the appointment of Assistant Professors."

Mere perusal of the above Regulations would reveal that the NET or SET carry equal weightage. Here, Dr. Sanjiv Kumar, had qualified SET of H.P. Public Service Commission in May, 1999, accredited to the UGC. All eligible candidates having qualified either NET/SET or SLET were given equal weightage while evaluating their applications. Therefore, the grievance raised in the complaint is without any basis.

- 1.5. Lastly, to recall, the requirement of minimum qualifications, experience and API Score etc. were duly scrutinized by the Scrutiny Committee under the UGC Regulations. Only six candidates were found eligible, who were called for interview. Out of which four appeared and two of them were selected. There is nothing on record to indicate that the conclusions reached by the Scrutiny Committee with regard to the qualifications, experience or the calculations of the API score etc. was not in accordance with various parameters laid down under the UGC Regulations.

In view of the above, allegation that Dr. Sanjiv Kumar did not possess minimum qualifications, experience and API Score etc. as UGC Regulations for appointment to the said Post is without substance.

2. **Whether the Selection Committee was empowered to grant three special increments, at the time of initial appointment of Dr. Sanjiv Kumar as an Associate Professor?**

- 2.1. In support of the above allegation, in one of the complaints reliance is placed on Clause 10.4 of UGC Regulations, which reads:

"The number of additional increment(s) on placement of each higher stage of AGP shall be as per the existing Schemes/Regulations of increment on promotion from lower Pay Scale to Higher Pay Scale; however, in view of the considerable raise in effective pay between the two pay bands, there shall be no additional increment on movement from the pay band of Rs.15600-Rs.39100 to the pay bank of Rs.37400-Rs.67000." (Emphasis added)

- 2.2. Perusal of the above Regulations would clearly shows that it applies only to a case where a movement of the candidate is from one grade to another

h

higher grade by way of promotion in the same service and would not apply to the direct/fresh appointments. Grant of increments to the fresh appointees is governed by clause 6.4.11 of the UGC Regulations which reads as follows:

"Discretionary award of advance increments for those who enter the profession as Associate Professors or Professors with higher merit, high number of research publications and experience at the appropriate level, shall be within the competence of the appropriate authority of the concerned University or recruiting institution based on the recommendations of selection committee(s) while negotiating with individual candidates in the context of the merits of each case, taking into account the pay structure of other teachers in the faculty and other merit-specific factors. Discretionary award of advance increments is not applicable to those entering the profession as Assistant Professor/Assistant Librarian/Assistant Director of Physical Education and Sports and to those who are entitled for grant of advance increments for having acquired Ph.D., M.Phil, M. Tech, etc. However, those entering service as Assistant Professor/Assistant Librarian/Assistant Director of Physical Education and Sports with post-doctoral teaching/research experience after Ph.D. and proven credentials may be eligible for discretionary award of advanced increments to be decided and recorded by the Selection Committee in its minutes." (Emphasis added)

- 2.3. In this case, Dr. Sanjiv Kumar was holding permanent post in the Govt. College and was entitled to the pension under the old pension scheme on or about 26.12.2013 he gave an application to VC requesting "If considered, I may be allowed to appear before the Selection Committee for interview for the post of Associate Professor on Deputation for three to five years only so that, if selected, I may plan my career and family priorities accordingly". The VC required him to appear in the interview. It is obvious that he wanted to way his options to avail the benefit of pension under the old pension scheme in the regular post which he was already holding in the college. In these circumstances, considering the merits of the candidates, it was well within

Su

the powers of the Selection Committee, to recommend three additional increments who were being appointed for the post of Associate Professor.

- 2.4. It is also alleged that candidate at Sl.No.1 of the merit list had a higher API score, even then he was not given three additional increments which is discriminatorily and shows bias. This objection is completely answered by UGC 2nd Amendment Regulation, 2013, which states that "API scores will be used for screening purpose only and will have no bearing on expert assessment of candidates in Direct Recruitment/CAS." Thus, the grievance on this account is also not sustainable.

In view of the above, the allegation that the Selection Committee could not grant three additional increments to Dr. Sanjiv Kumar at the time of his initial appointment, ignoring the candidate at Sr.No. 1 in the merit list is without any merit.

- 3. Whether Dr. Sanjiv Kumar had himself acted as Deputy Registrar and looked after entire work for appointments to the posts Associate Professors in the University (English) and thereby influenced his Selection Committee for his appointment and grant of three additional increments?**

- 3.1. There cannot be any presumption with regard to the bias or undue influence. It has to be substantiated by evidence from which the inference can be drawn. Here, the careful examination of the record, reveals that none of the files/papers or minutes of the meetings to the Scrutiny Committee or the Selection Committee in connection with appointments in question, were dealt with or signed by Dr. Sanjiv Kumar. It is evident that all these documents were signed by one Mr. Piyush Patanjali who also a Deputy Registrar in the University and had acted as Secretary to the Screening Committee as well as the Selection Committee.

In view of the above, the allegation of undue influence by Dr. Sanjiv Kumar, in his selection to the post of Associate Professor with three additional increments is not supported by records.

4. **Whether Dr. Sanjiv Kumar, who was employed as a lecturer in the Government College, Nahar, Rewari and was working as an Assistant Professor in the said University on deputation, could be issued an appointment letter as a regular appointee, without being relieved from the post he was already holding in the said college?**

4.1. Dr. Sanjiv Kumar's application, reveal that his application for appointment to the said post for appointment as an Associate Professor, to the University was forwarded through proper channel, namely Principal, Government College, Nahar (Rewari) where he was employed as an Assistant Professor. On being selected for the said post, a provisional relieving Certificate was issued by the College vide Memo No. GCN/14/1275-79 dated 08.01.2014 subject to the final approval by the Director General, Higher Education, Haryana.

4.2. The *ex-post facto* final relieving order was issued on 17.04.2014 by Mr. S.S. Prasad, Additional Chief Secretary to Govt. Haryana, Higher Education Department, to enable Dr. Sanjiv Kumar to join the Central University of Haryana, Jant – Pali, Mahendergarh, but his lien on the post he was holding was not retrained. This by itself would show that he was deprived of the right to get pension under the old pension scheme.

In view of the above, the allegation contained in the complaints that Dr. Sanjiv Kumar could not have been issued the appointment letter for the said post, without first being relieved from the post he was holding, is not sustainable.

5. **Whether adequate numbers of candidates for the posts of Associate Professors were not called for interview and therefore, the selection of Dr. Sanjiv Kumar is liable to be cancelled?**

5.1. Here, in response to the advertisement published by the University for appointment to the two posts of Associate Professors, nineteen candidates had applied. The Scrutiny Committee scrutinized the applications and found that six candidates fulfilled the eligibility criteria, as per the UGC Regulations. All these six candidates were called for interview. However, four candidates appeared before the Selection Committee and out of which two were selected and one was kept in waiting list.

Sn

In view of the above factual position, the allegation that the adequate numbers of candidates were not called for the interview or that the entire selection process were vitiated is without any merit.

6. In addition to the above, it may not be out of place to mention that the selection process was completed on 31.12.2013. Dr. Sanjiv Kumar and Dr. Bir Singh joined as Associate Professors in the University on 08.01.2014. The complaint in question, against the appointment of Dr. Sanjiv Kumar was filed for the first time on or about 18.05.2015 i.e. after a period of about one and half year. It is not a case, where the complainant did not know the factual situation on the date of his appointment. The delay of one year and eight months by itself speaks aloud. Dr. Bir Singh Yadav, in his statement, has withdrawn the allegations made by him in complaint and other two complainants are anonymous. In view of the above, on the facts at hands, the complaints are barred by the principles of estoppels.

Conclusion

For the foregoing reasons, in my considered view, the due process of selection in making the appointments of two posts of Associate Professors in the Department of English of the Central University of Haryana in the year 2013 was followed. The complaints against the appointment of Dr. Sanjiv Kumar to the post of Associate Professor in the department of English are without any merit and are liable to be rejected.

The conclusions drawn by the Inquiry Committee in its Report dated 15.01.2016, are valid except that the affected persons were not given an opportunity being heard which has now been done.

Justice S K Agarwal (Retd.)

**ENQUIRY REPORT IN THE MATTER OF APPOINTMENT TO THE
POSTS OF ASSOCIATE PROFESSOR IN THE DEPARTMENT OF
ENGLISH, CENTRAL UNIVERSITY OF HARYANA**

The Vice-Chancellor, Central University of Haryana (CUH) constituted a Committee consisting of the following to enquire into the entire process for selection of teachers in the Department of English of the University followed for the appointments made in the year 2013 and the same was notified vide Registrar's Notification dated 2.9.2015:

1. Prof. S.C. Bhatla, Dept. of Botany, University of Delhi - Chairman
2. Dr. S. Laxmi Devi, Member, Executive Council, CUH
3. Dr. Vikas Gupta, Joint Registrar, University of Delhi

Dr. S. Laxmi Devi had expressed her inability to serve on the Committee. In its subsequent Notification dated 21.10.2015, the University substituted Dr. S. Laxmi Devi with another Member of the Executive Council of CUH namely Dr. P.C. Patanjali. The Committee was informed that Dr. P.C. Patanjali had also regretted his inability to accept the assignment on telephonically.

The Committee had two meetings on 20.11.2015 and 15.1.2016 in which the following members were present:

1. Prof. S.C. Bhatla- Chairman
2. Dr. Vikas Gupta, Member

Sh. Ram Dutt, Registrar, CUH was also present.

In its first meeting held on 20.11.2015, the Committee on careful perusal of the available records, noted that the necessity to appoint the Enquiry Committee arose just because the University had received complaints alleging irregularities in the appointment of one Dr. Sanjiv Kumar to one of the two advertised posts of Associate Professor in the Department of English. The complaints available on the records are received from (i) Dr. Bir Singh Yadav, an Associate Professor in the Department of English (dated 17.8.2015 & 19.8.2015) appointed from the same panel from which Dr. Sanjiv Kumar had been appointed; (ii) Ms. Priya, Rewari, Haryana routed through the Prime Minister's Office and forwarded by MHRD vide letter dated 21.7.2015 and (iii) Ms. Poonam Agrawal, Malviya Nagar, New Delhi, which too has been routed through the office of the Prime Minister and forwarded by MHRD vide letter dated 4.11.2015 for comments. There are common allegations in all these three complaints, which are-

- a) Illegal appointment of Dr. Sanjiv Kumar to the post of Associate Professor in the Dept. of English since the Selection Committee had recommended his appointment on deputation and not on permanent basis.
- b) Dr. Sanjiv Kumar did not fulfil the eligibility conditions and API scores for the post. Duration of Ph.D. in his case was included in teaching experience otherwise he was not eligible as he did not have 8 years' experience. While calculating the API scores, capping had not been applied.
- c) Dr. Sanjiv Kumar could not have been granted three additional increments as the rules did not permit.

- d) Improper relieving order presented by Dr. Sanjiv Kumar for joining.
- e) During the period of selection process, Dr. Sanjiv Kumar had been working as Dy. Registrar and was himself involved in the entire selection process. He managed his appointment as an Associate Professor by unfair means.
- f) Only three candidates out of four called to appear in the interview and thus the quorum of candidates was not complete.
- g) Dr. Sanjiv Kumar had not been awarded Ph.D at the time he applied for the post.

Since the issues and complaints revolve around the appointment of Dr. Sanjiv Kumar to the post of Associate Professor in the Department of English, the Committee focussed on the appointments made to the posts of Associate Professor in the Department of English in the year 2013. After detailed examination of the records and detailed discussions, the Committee makes the following observations seriatim:

- (a) Two posts of Associate Professor of English, inter alia, were advertised by the University in 2012-2013 in accordance with the UGC Regulations 2010. Dr. Bir Singh Yadav and Dr. Sanjiv Kumar, who had already been working as Associate Professor and Assistant Professor, respectively, on deputation in the Dept. of English of CUH, had also applied for the same among others. Six candidates, including these two, were short listed for the interview held on 31.12.2013. Only four candidates, including Dr. Bir Singh Yadav and Dr. Sanjiv Kumar, out of the six appeared in the interview. As per clause 9 of the Guidelines for Screening/Short listing of candidates applicable at that time, "the selection committee may not be held in all such disciplines where the number of eligible candidates for the post of Associate Professor is less than three and these positions shall be re-advertised." The Selection Committee which met on 31.12.2013 made the following recommendations for appointment to the two unreserved posts of Associate Professor in the Department of English:

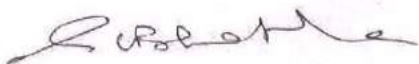

- i. Dr. Bir Singh Yadav s/o Sh. Sant Ram (61.8 marks out of 100)
- ii. Dr. Sanjiv Kumar s/o SSh. Dharam Singh (60.80 marks out of 100)
(Selection Committee recommends three special increments for the candidate at Sr. No. ii w.e.f. the date of his joining.)

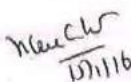

Waiting:

- i. Dr. Karan Singh s/o Sh. Bhim Singh

"The Selection Committee recommends that in case there arises any question regarding minimum no. of candidates for two posts, the candidate at Sr.No. ii is recommended for deputation for not less than five years against the existing post or supernumerary post as per Statute 19(i) of the Central Universities Act 2009."

The Vice Chancellor approved the recommendation of the Selection Committee in respect of the candidate recommended at Sr. No. i namely Dr. Bir Singh Yadav and an appointment letter was issued in his favour on the same day of the meeting of the Selection Committee i.e. 31.12.2013. It was reported to the Executive Council on 4.1.2014. Dr. Sanjiv Kumar was issued the appointment letter on regular/permanent basis instead of deputation on 6.1.2014 only after the meeting of the Executive Council. Both the candidates joined CUH as Associate Professors w.e.f. 8.1.2014.

15/1/16

2/4

The objection of the complainants to the regular appointment of Dr. Sanjiv Kumar was in view of the clause 9 of the short listing guidelines and the recommendation of the Selection Committee regarding appointment of Dr. Sanjiv Kumar on deputation as quoted above. Their contention is that since the quorum of candidates for holding selection committee was not complete Dr. Sanjiv Kumar could not have been appointed on regular basis as per the recommendation of the Selection Committee. The Committee did not endorse these logics for the following reasons: (i) The clause 9 of the short listing guidelines states that the selection committee meeting may not be held if the number of eligible candidates for the post of Associate Professor is less than three and these positions shall be re-advertised. Firstly, it does not stipulate the number of posts for which the quorum is three and secondly, even if it is interpreted that there have to be at least three candidates for one post, the University had short listed six candidates for the two posts who were called for the interview. Since even with this interpretation the quorum was complete, the University rightly decided to hold the selection committee meeting. If the complainants feel that there had to be six candidates at the time of interview, although which is not correct, none of the candidates could have been selected and Selection Committee should have recommended to re-advertise the posts; (ii) With regard to the apprehension and recommendation of the selection committee for appointment on deputation of Dr. Sanjiv Kumar, the same was not required in the light of the foregoing observations made under (i). Further, being the appointing authority, the Executive Council itself approved appointment of Dr. Sanjiv Kumar on regular basis.

- (b) The available records show that Dr. Sanjiv Kumar was eligible for the post of Associate Professor. It has been alleged that capping of scores as per the UGC Regulations had not been applied while calculating the API scores of the candidates. It was presented before the Committee that Dr. Bir Singh Yadav had claimed 607 points, which after capping come to 395. Similarly Dr. Sanjiv Kumar had claimed 534 points, which after capping come to 395. Therefore, both the selected candidates did meet the required API scores of 300 points and were eligible for appointment to the post at that time.
- (c) Dr. Sanjiv Kumar who was at Sr. No.2 of the candidates recommended for the post of Associate Professor had also been recommended for grant of three special increments by the Selection Committee, which were duly approved by the Executive Council. It is the prerogative of the Selection Committee to recommend grant of advance increments to any of the candidates in the panel whom the Selection Committee considers deserving. The rule referred by the complainants in their complaints against grant of any additional increment to Dr. Sanjiv Kumar is relevant in the case of promotion and therefore, the same is misleading.
- (d) It has been alleged that Dr. Sanjiv Kumar joined CUH without proper relieving order from his employer. Dr. Sanjiv Kumar was provisionally relieved by the Principal, Govt. College, Nahar to enable him to join CUH. On the basis of the said order the University allowed Dr. Sanjiv Kumar to join provisionally vide letter dated 8.1.2014 of the Registrar, CUH subject to submission of copy of the relieving order issued by the competent authority. Dr. Sanjiv Kumar vide his letter dated 23.4.2014 did submit a copy of the ex-post facto approval of the competent authority i.e. Department of Higher Education, Haryana vide Relieving Order dated 17.4.2014. Consequently, he

was confirmed on the post of Associate Professor in the Department of English. Dr. Bir Singh Yadav was also confirmed on the said post.

- (e) The Committee is informed that Dr. Sanjiv Kumar while working as an Assistant Professor in the Dept. of English had also been assigned the duties of Dy. Registrar during the period from 1.9.2013 to 27.2.2014 and had also been performing administrative functions as Dy. Registrar. In view of the observations made by the Committee in the foregoing paragraphs, the allegation that he managed his selection to the post of Associate Professor by misusing the office of the Dy. Registrar does not have any basis.
- (f) As noted above six candidates were short listed and called for the interview held on 31.12.2013 for the two unreserved posts of Associate Professor out of which four appeared in the interview. Therefore, it is wrong to allege that only four candidates were called out of which 3 appeared for the interview.
- (g) As per records, Dr. Sanjiv Kumar registered himself for Ph.D in Ch. Devi Lal University on 23.6.2006 and the date of award of Ph.D Degree in his case was 29.7.2009. Thus the allegation that he did not have Ph.D. at the time of applying for the post is incorrect.
- (h) The composition of selection committees for various teaching and other posts has been provided under the UGC Regulations 2010, which are to be followed by the universities mandatorily. It is noted that the minutes of the Selection Committee for appointment to the posts of Associate Professor in the Department of English have also been signed by a Deputy Registrar as Ex-officio Secretary, which seems to be in violation of the composition provided under the UGC Regulations 2010. The Committee was informed that the then Ordinance IV of the University provided that the Registrar or in his absence a Deputy Registrar nominated by the Vice Chancellor would serve as ex-officio Secretary on the Selection Committee for the teaching posts. It was also informed that the said provision has now been got deleted through an amendment to the said ordinance. It is advisable that the University follows the UGC Regulations in their true spirit and avoid any major deviation therefrom.

CONCLUSION

After careful analysis of the facts and circumstances explained above, the Committee comes to the conclusion that the allegations made in the complaints referred above with regard to the appointment of Dr. Sanjiv Kumar to the post of Associate Professor do not bear any substance in them. The available records and facts suggest that due process of selection had been followed in making appointments to the two unreserved posts of Associate Professor in the Department of English. The complaints received by the University may therefore be disposed of accordingly.
