## **Central University of Haryana (CUH)**

Central University of Haryana is a Central University established under the Central Universities Act, 2009 of the Parliament. It is one of the 15 Central Universities established by MHRD, GoI under the XI<sup>th</sup> Five Year Plan (2007-12). The University is fully funded by the UGC.

Permanent Campus of the University is situated in 488 acres of land at Jant-Pali Villages, Mahendergarh district of Haryana from where CUH is running its academic operations.

### **Department of Chemistry**

The Chemistry Department under the School of Chemical Sciences, CUH started functioning in the academic year 2013 after shifting to the permanent campus located in Jant-Pali, Mahendragarh. The Department has one full Professor, two Associate Professors and four Assistant Professors, with 90 M.Sc. and 20 Ph.D. students. The Department is now in the process of building up research facilities consisting of spectroscopy equipment, analytical and process equipment, and computational facilities. The department hopes to become a centre of excellence for academic and industrial research in topics of current and social relevance, such as development of technologies leading to sustainable chemicals, polymers, industrial materials etc.

### **About Workshop**

Intellectual Property plays an important role in providing a competitive edge to the organization. Intangible assets of an organization-such as information, innovation, brands, designs and other creative and innovative products are often more valuable than their physical assets today. The aim of the workshop is to spread awareness about the importance of Intellectual Property Rights (IPR) among faculty members, researchers and students. Cater the IPR needs of the university to create a strong IPR base is another important aim of this program.

### **Venue:**

New Academic Block-1, CUH
