

arts, Indian languages, culture and knowledge systems through networking of experts from institutions and organisations across India.

An advisory Committee has been set up by the UGC under the Chairmanship of Prof. Bhushan Patwardhan, Vice Chairman, UGC to oversee the entire scheme.

STRIDE Components

Research grant support through STRIDE has three components:

Component-1

Component 1 will endeavour to identify the motivated young talents with research and innovation aptitude in universities and Colleges. The scheme will provide research capacity building in diverse disciplines by mentoring, nurturing and supporting young talents to innovate pragmatic solutions for local, regional, national and global problems. This component is open to all disciplines for grant up to 1 Crore. [All disciplines and Duration: 3 years].

Component-2

Component 2 will be mainly to enhance problem solving skills with help of social innovation and action research to improve well-being of people and contribute for India's developing economy. Collaborations between universities, government, voluntary organizations and Industries is encouraged under this scheme. This component is open to all disciplines for grants up to 50 Lakhs – 1 Crore. (All disciplines & Duration – 3 Years).

Component-3

Component 3 will fund high impact research projects in the identified thrust areas in humanities and human sciences through national network of eminent scientists from leading institutions. Disciplines
