Admission Announcement for the B.Voc Programmes

Applications are invited for admission to three year regular (full-time) B.Voc (Bachelor of Vocation) degree programmes. These are job oriented programme whose curriculum includes compulsory theory classes along with practical and on-the job training at regular intervals. These programmes have been funded by University Grants Commission (UGC) which has launched a scheme on skills development based higher education as part of college/university education, leading to Bachelor of Vocation (B.Voc.) Degree with multiple exits such as Diploma/Advanced Diploma under the NSQF (National Skill Qualifications Framework).

The B.Voc. Programme is focused on universities and colleges which would also incorporate specific job roles along with broad based general education. This would enable the graduates completing B.Voc. to make a meaningful participation in accelerating India's economy by gaining appropriate employment, becoming entrepreneurs and creating appropriate knowledge.

The proposed vocational programmes will be a judicious mix of skills, professional education related to logistics and also appropriate content of general education. It is designed with the objective of equipping the students to cope with the emerging trends and challenges in the Retail & Logistics Management, Biomedical Science and Industrial Waste Management.

These programme provide an option of multiple exit points at the end of the 1st, 2nd and 3rd years
