Three Days National Workshop

on

Massive Open Online Courses

"Teaching, Learning and Evaluation Online with
Moodle MOOC Platform &
Open Education Resources"

May 14-16, 2018

Under the MHRD Scheme of Pandit Madan Mohan Malaviya
National Mission on Teachers and Teaching

PMMMNMTT Scheme

This Programme is a step to achieve the objectives of (PMMMNMTT) Scheme by addressing all issues related to teachers, teaching, teacher preparation and professional development in a comprehensive manner. The objective is to address, on the one hand current and urgent issues such as supply of qualified teachers, attracting talent in to teaching profession and raising the quality of teaching in school and colleges. On the other, it is also envisaged that the teacher mission would pursue long term goal of building a strong professional cadre of teachers by setting performance standard and creating top class institutional facilities for innovative teaching and professional development of teachers.

Concept Note

With advent of information and communication technology the content is being generated and delivered in electronic form and it is easily accessible to all the stakeholders using different electronic gadgets as well as desktop based application. MOOCs which is one of the sub set of e-Learning have innovated at a dazzling speed in content creation, delivery, feedback, testing and other aspects of the knowledge delivery process. The aim of the three-day workshop is designed to build the capacity of the Faculty to design, transact and assess and deliver courses online in different disciplines with Educational Technology Tools, Open Educational Resources (OER) and constructivist pedagogy based Free Open Source Moodle–MOOC platform. This workshop is a great starting point for effective teaching in the 21st century learning environment. The Workshop will provide exhaustive information on e-learning, electronic content creation, its hosting using Moodle as LMS and MOOCs. It will enable participant to know about the electronic content generation, content management on MOOCs platforms, etc. The participants will get fair idea about LMS and MOOCs Platform configuration & its customization and course flow activities. Moreover, the workshop will provide extensive hands-on training on installation and configuration of MOOCs Platforms.

Objectives of the Workshop

- To understand the process of planning, designing and implementing online courses in line with SWAYAM MOOC requirements
- To enable the participants to learn and implement the Flipped Classroom pedagogy
- To enable participants to learn using FOSS tool Moodle through hands-on-experience
- To train the participants to use Moodle-MOOC as an adjunct to face-to-face teaching and to teach in a fully online or distance learning context and to get a feel for how their courses could be enhanced using Moodle- MOOC platform;
- To create better and active communication and collaboration with the students and to design and manage learning assessment using Moodle MOOC Platform
- To orient the OER based e-learning

Programme Methodology

The workshop is designed to facilitate capacity building in launching and teaching online courses using Moodle MOOC platform. The workshop emphasizes participatory and interactive mode of learning. Besides the lecture discussion, nearly 75 % of time will be devoted for hands-on-experience sessions on a Moodle MOOC Platform.
There is no registration fee to attend the event.

Resource Person

1. Prof. K. Srinivas, ICT, NIEPA, New Delhi.
2. Dr. Sarika Sharma, Head, Department of Education, Central University of Haryana.
3. Mr. Deepak Bisla, System Administration, Ambedkar University, Delhi

Training Venue

Academic Block-4, Ground Floor-Virtual Classroom
Central University of Haryana,
Jant-Pali, Mahendergarh-123029, Haryana.
