

Central University of Haryana, Mahendergarh

School of Engineering and Technology (SOET)

GENERAL INSTRUCTIONS FOR ALLOTTED AND WAITING LIST CANDIDATES

Open Counselling (Blended Mode) for B.Tech Programs – 2025

This is to inform all provisionally seat-allotted students that they must **login to their Samarth portal** (<https://cuhadm.samarth.edu.in/>) using their credentials and pay the admission fee online.

Considering the late counselling schedule, uploading of seat allocation lists, and repeated requests from students/parents, the deadline for **fee submission has been extended till 28.08.2025 (Thursday), 11:55 AM**.

Please note that **no further extension will be granted under any circumstances**. Students failing to submit the fee within the stipulated time will automatically forfeit their admission. Waiting list will be uploaded on website by 28.08.2025.

The admission is provisional and will be confirmed by the department only after:

1. Successful fee payment, and
2. Verification/submission of documents to the allotted department.

Since classes have already commenced, provisionally seat-allotted students are advised to physically report to their respective departments with documents and begin attending classes in the SoET building.

Further, students from the waiting list will be contacted by the respective departments on **28.08.2025 (from 1:00 PM onwards)**, subject to confirmation of vacancies after the deadline for fee payment by allotted candidates.
