## NOTIFICATION

In order to smoothen in the process of Medical bill reimbursement and release the payment in time bound manner, the medical bills will be processed on quarterly basis. Hence all colleagues are requested to submit their medical claims bills (for duration up to 31.12.2021) latest by January 15, 2022. Medical bills received after that will be processed in the next cycle. While submitting the bills, please submit a single reimbursement form along with the summary in the attached format. The bill should be attached in the chronological manner and must be numbered serially.
