About the University

The Central University of Haryana (CUH) was established by an Act of Parliament in 2009 to cater to the higher education needs in the state of Haryana and its surrounding regions. The campus is equipped with state-of-the-art facilities and infrastructure to support academic excellence and holistic development. The University focuses on offering quality education while promoting research, innovation, and cultural diversity.

Malaviya Mission Teacher Training Center (MMTTC)

The University Grants Commission established Malaviya Mission Teacher Training Center (MMTTC) across the India in 2023 and Central University of Haryana is one of the reputed MMTTC to enhance the capacity and training of teachers/faculty. The mission aims to transform higher education by integrating Indian values and ethos into teaching, research, publications, patents, and institutional development.

About the Short-term Programme

The UGC-Malaviya Mission Teacher Training Centre (MMTTC), the Central University of Haryana is organizing a Short-Term Programme (STP) on "Artificial Intelligence Tools for Teachers", scheduled from 3rd to 8th November, 2025. This programme is designed to introduce educators to contemporary advancements in artificial intelligence (AI) and their practical applications in teaching, research, and learning enhancement. The primary objective of the programme is to equip faculty members from various academic disciplines with foundational knowledge and hands-on experience in utilizing AI tools to enhance pedagogical practices. The day-wise schedule of the programme is given below:

Day	Focus Area	Sessions / Activities
Day 1	Introduction to AI in Higher Education	• Role of AI in Indian Higher Education (context of NEP 2020) • Recent trends: SWAYAM, NPTEL, Academic Bank of Credits, Moodle • Identifying AI Use-Cases in Teaching, Learning & Research
Day 2	AI Tools for Teaching	• AI-powered curriculum design • Lesson generation & automated quizzes • Formative assessments and feedback • Automating admin tasks (attendance, grading)
Day 3	AI Tools for Research	• AI-based literature reviews • Citation & reference management • Plagiarism detection & ethics • Research data analysis & visualization
Day 4	AI for Student Learning & Engagement	• Adaptive learning platforms • Personalized content delivery • Learner analytics & engagement tracking • Case studies from Indian HEIs
Day 5	Institutional Integration & Academic Integrity	• Copyright, plagiarism, and ethical AI use • Journal selection & manuscript preparation • Addressing reviewer feedback with AI • Policy frameworks for AI in HEIs
Day 6	Hands-on Workshops, Presentations & Review	• Group workshops on real-world AI use-cases • Peer review of group outputs • Panel discussion: Future of AI in HEIs • Valedictory & Feedback Session
