Central University of Haryana

Term End Examinations June 2022

Programme: M.A (Political Science)   **Session:2021-22**

Semester: 4ᵗʰ   **Max. Time: 3 Hours**

Course title: Contemporary issues in world politics

Course Code: (SSH POS01 (125) DEC4004 (i)   **Max Marks: 70**

Instructions:

1. Question no. 1 has seven sub-parts and students need to answer any four. Each sub part carries three and a half Marks.

2. Questions no. 2 to 5 have three sub parts and students need to answer any two sub-parts of each question. Each sub part carries seven marks.

Question no-1   (4x3.5=14)

     a) Write a short note on a Joint comprehensive plan of action (JCPA).
     b) What do you understand by the term authoritarian regime?
     c) Explain the term new world order.
     d) What do you understand by the term democracy?
     e) Comment on the tragedy of commons.
     f) Write a short note on NPT.
     g) Explain the term banana republic with an example.

Question no-2   (2x7=14)

     a) In the wake of the ongoing Ukraine Russia war, discuss its implications on the energy crisis in India.
     b) Critically examine how globalisation has affected urban and rural society differently in India?

c) Express your views on why do India want to be a member of the nuclear supplier group despite not being a member of NPT?

Question no-3 (2x7=14)

a) Do you find the 'illiberal democracy' concept as a challenge to the democratic system? Give proper examples to support your answer.
b) Describe the role of non-state actors in international politics.
c) What do you understand by the term global energy crisis? Write down the reasons for the energy crisis.

Question no-4 (2x7=14)

a) The theme for the world environment day 2022 is 'Only One Earth'. How is the theme relevant to the current challenges of environmental issues?
b) Discuss the relations between armed conflict and human rights.
c) How globalisation is a threat to a nation's culture? Explain.

Question no-5 (2x7=14)

a) Do you think the FDI, a source of investment and globalisation process could lead a country to a banana republic?
b) What are the challenges to the INGO legitimacy?
c) Do you think that the environmental issues have suffered from the global north-south divide? Support your arguments with proper examples.

CENTRAL UNIVERSITY OF HARYANA

<u>Term End Examinations, June 2022</u>

Programme: M.A. Political Science

Semester: III

Course Title: Research Methodology

Course Code: SSH POS01(113) C5005

Session: 2021-22

Max. Time: 3 Hours

Max. Marks: 70

Instructions:

1. Question no. 1 has seven sub parts and students need to answer any four. Each sub part carries three and half Marks.

2. Question no. 2 to 5 have three sub parts and students need to answer any two sub parts of each question. Each sub part carries seven marks.

Question No. 1. Explain briefly any four of the following terms:　　　　(4X3.5=14)

　　a) Interpretivism

　　b) Positivism

　　c) Relativism

　　d) Ontology

　　e) Epistemology

　　f) Inductive approach

　　g) Deductive approach

Question No. 2.　　　　　　　　　　　　　　　(2X7=14)

　　a) What are the essential attributes of a research question? How do you formulate a research problem?

　　b) What is Literature Review? What is its purpose and significance?

　　c) What is a research paradigm? Explain the significance and limitations of research paradigms? Give examples

Question No. 3.　　　　　　　　　　　　　　　(2X7=14)

　　a) How Quantitative and Qualitative methods differ in terms of base assumptions? To what extent it is possible to combine both of them in social science research?

　　b) What is the difference between basic and applied research? Give examples.

　　c) What is the difference between a theory and a law? What are the essential attributes of a good theory?

Question No. 4.　　　　　　　　　　　　　　　(2X7=14)

　　a) What is a cycle of research? Illustrate with an example.

　　b) Elaborate the three levels of research: Exploratory, Descriptive and Explanatory Research

　　c) How positivists and constructivists differ when their aim is to preserve social order versus bringing about a radical change?

Question No. 5.　　　　　　　　　　　　　　　(2X7=14)

　　a) What are the four types of variables in research? Explain the significance of identifying variables before specification of a hypothesis.

　　b) What is a hypothesis? What are the common errors in formulation of hypothesis? Give examples.

　　c) What is research design? Illustrate with examples the difference between most similar system research design and most dissimilar system research design.

CENTRAL UNIVERSITY OF HARYANA

Programme: M.A. Political Science

Session: 2021-22

Semester: II

Max. Time: 3 Hours

Course Title: Contemporary issues in Indian Politics

Max. Marks: 70

Course Code: SSHPOS01 (109) C5005

Instructions:

1. Question no. 1 has seven sub parts and students need to answer any four. Each sub part carries three and half Marks.

2. Question no. 2 to 5 have three sub parts and students need to answer any two sub parts of each question. Each sub part carries seven marks.

Question No. 1. Explain briefly any four of the following terms: (4X3.5=14)
   a) Meaning of Caste
   b) Define Secularism
   c) Types of Social Movements in India
   d) Define Regionalism
   e) Purpose of Affirmative actions
   f) Lokpal
   g) Main Features of 42nd Amendment Act

Question No. 2. (2X7=14)
   a) What is the role of Caste in India Politics?
   b) How religion and Politics influence each other?
   c) Write a detailed note on role of Religion in Indian Politics.

Question No. 3. (2X7=14)
   a) Discuss the challenges to equality in India.
   b) Write a note on the "NITI Aayog".
   c) Define development. Discuss the 'mixed economy model' of development with special reference to India.

Question No. 4. (2X7=14)
   a) Discuss in brief the nature of women movements in India.
   b) What is Regionalism? In what ways it affect the federal polity in India?
   c) Point out the important issues of the farmers movements especially after the 1990s.

Question No. 5. (2X7=14)
   a) What are the key recommendations of Venkatachaliah Commission. Discuss
   b) Why there is a need of electoral reforms in India? Discuss
   c) Do you feel that democratic polity of the country has achieved the values imbibed in the constitution? Discuss your views with suitable examples.

CENTRAL UNIVERSITY OF HARYANA

<u>End Semester Examinations June 2022</u>

Programme : M.A Political Science
Semester: III
Course Title: Politics in India
Course code: SSH POS01(117) GE4004

Session:2020-2022
Max. Time: 3 Hours
Max. Marks: 70

Instructions:

1. Question no. 1 has seven parts and students need to answer any four. Each part carries three and half marks.
2. Question no. 2 to 5 have three parts each and students need to answer any two parts of each question. Each part carries seven marks.

Ques 1:

a) What are fundamental rights?
b) Describe the gandhian principle in DPSP?
c) Describe the qualification & eligibility criteria for the member of Lok Sabha?
d) Describe in brief the women movements in India?
e) Describe in brief the functions of the president of India?
f) What do you understand by the term 'Secularism'?
g) Describe the five kinds of Rit's issued by the supreme court of India or high court in case of violation of fundamental rights?

Ques 2:

a) Describe the salient feature of India Constitution.
b) Describe the fundamental rights embedded in the part III of Indian constitution.
c) What is directive principle of state policy (DPSP)? Explain its features.

Ques 3:

a) Explain the election, function & power of prime minister of India?
b) Describe the power and function of lower house of parliament.
c) Describe the role, power & jurisdiction of supreme court of India.

Ques 4:

a) What do you understand by patriarchal system? How it influences the life of women?
b) Write a brief note on Indian notion of Secularism. How it different from western concept?
c) How cate if influencing Indian electoral democracy?

Ques 5:

a) Describe the main environmental movements in India.
b) Describe the major labor movement in India.
c) Describe the different political parties and party system in India.

Instructions:

1. Question no. 1 has seven parts and students need to answer any three. Each part carries three and half marks.

2. Question no. 2 to 7 have three parts each and students have to answer any two parts of each question. Each part carries seven marks.

Unit 1

a) What are the fundamental rights?
b) Describe the goodness principle of DPSP?
c) Describe the qualification & eligibility criteria for the members of Lok Sabha?
d) Describe in brief the women reservation in India?
e) Describe in brief the functions of the president of India?
f) What do you understand by the term "secularism"?
g) Examine the five kinds of Writs issued by the Supreme court of India or High Court in case of violation of fundamental rights?

Unit 2

a) Describe the salient feature of India Constitution?
b) Describe the fundamental rights mentioned in the part III of Indian constitution.
c) What is directive principle of state policy (DPSP)? Explain the features

Unit 3

a) Explain the emerging tendencies in power relations in India?
b) Describe the power and function of lower house of parliament.
c) Describe the role, power & functional part of Supreme court of India

Unit 4

a) What do you understand by parliamental system? How it influences the life of society?
b) Write a brief note on federal nature of Socialism. How it is different from a welfare concept?
c) How state is different from civil society? Discuss democracy?

Unit 5

a) Describe the ... meaning characteristics of ... in India
b) Describe the ... party ... system in India
c) Describe the national political parties and party system in India.

Central University of Haryana
Even Semester Term End Examination June 2022
B.Tech. Programmes
Branch: Electrical Engineering (Regular/ Reappear)
Course Code: **BT EE 408A**   **Max Time: 3 hours**
Course Title: **Mathematics-III**   **Max Marks: 70**

Instructions:
Question Number **one (PART-I)** is compulsory and carries total 14 marks (Each sub Question carries two Marks). Question Numbers 2(two) to 5(five) carry fourteen marks each with internal choice.
Note: Normal table should be provided with this paper. Use of scientific calculator allowed.

PART -I

Q. No.1

(a) One bag contains 4 white balls and 3 black balls, and a second bag contains 3 white balls and 5 black balls. One ball is drawn from the first bag and placed unseen in the second bag. What is the probability that a ball now drawn from the second bag is black? **[2]**

(b) The mean and variance of binomial distribution are 4 and 4/3 respectively. Find $P(X \geq 1)$. **[2]**

(c) Write a short note on the errors in the Sampling. **[2]**

(d) Explain Central limit theorem in brief. **[2]**

(e) A random variable X has a mean $\mu = 8$, a variance $\sigma^2 = 9$, and an unknown probability distribution. Find $P(-4 < X < 20)$. **[2]**

(f) If X and Y are random variables with variance $\sigma_X^2 = 2$ and $\sigma_Y^2 = 4$ and covariance $\sigma_{XY} = -2$, find the variance of the random variable $Z = 3X - 4Y + 8$. **[2]**

(g) Give the relation between moment about mean, with moment about any point for first four moments. **[2]**

PART –II

Q. No.2

(a) Assume that a firm has selected a random sample of 100 from its production line and has obtained the data shown in the table below: **[7]**

Class interval	Frequency	Class interval	Frequency
130-134	3	150-154	19
135-139	12	155-159	12
140-144	21	160-164	5
145-149	28		

Compute (i) mean; (ii) standard deviation and (iii) Karl Pearson's coefficient of skewness.

(b) Calculate the first four moments of the following distribution about the mean and hence find β_1 and β_2 **[7]**

x:	0	1	2	3	4	5	6	7	8
f:	1	8	28	56	70	56	28	8	1

OR

(a) Suppose that the self-life, in years, of a certain perishable food product packaged in cardboard containers is random variable whose probability density function is given by **[7]**

$$f(x) = \begin{cases} e^{-x} & x > 0 \\ 0, & \text{elsewhere} \end{cases}$$

(b) Let X, Y and Z represent the self-lives for three of these containers selected independently and find $P(X < 2, 1 < Y < 3, Z > 2)$.

In a certain college, 25% of boys and 10% of girls are studying mathematics. The girls constitute 60% of the student body. (a) What is the probability that mathematics is being studied? (b) If a student is selected at random and found is to be studying mathematics, find the probability that the student is a girl (c) a boy? **[7]**

Q. No.3

(a) Seven coins are tossed and number of heads noted. The experiment is repeated 128 times and the following distribution is obtained: **[7]**

No. of Heads	0	1	2	3	4	5	6	7
Frequencies	7	6	19	35	30	23	7	1

Fit a Binomial Distribution assuming (i) the coin is unbiased, (ii) the nature of coin is not known, (iii) the probability of a head for four coins is 0.5 and the remaining three coins is 0.45.

(b) The marks obtained by 10 students in Mathematics (X) and Statistics (Y) are given below. Find the coefficient of correlation and rank correlation between X and Y **[7]**

Roll No.	1	2	3	4	5	6	7	8	9	10
X	75	30	60	80	53	35	15	40	38	48
Y	85	45	54	91	58	63	35	43	45	44

OR

(a) In a Poisson frequency distribution frequency, corresponding to 3 success is 2/3 times frequency corresponding to 4 successes. Find mean and standard deviation of the distribution. **[7]**

(b) Let X be a random variable with density function **[7]**

$$f(x) = \begin{cases} \dfrac{x^2}{3}, & -1 < x < 2 \\ 0, & elsewhere \end{cases}$$

Find the variance of the random variable $g(X) = 4X + 3$.

Q. No.4

(a) The diameter, say X, of an electric cable, is assumed to be a continuous random variable with probability density function: $f(x) = 6x(1 - x), 0 \le x \le 1$ **[7]**
    (i)   Check that the above is a probability density function.
    (ii)   Obtain an expression for the cumulative distribution function of X
    (iii)   Compute $P(X \le 1/2 \mid 1/3 \le X \le 2/3)$.
    (iv)   Determine the number k such that $P(X < k) = P(X > k)$.

(b) In a distribution exactly normal, 10.03% of the items are under 25-kilogram weight and 89.97% of the items are under 70-kilogram weight. What are the mean and standard deviation of the distribution? **[7]**

OR

(a) The joint probability distribution of two random variables X and Y is given by: **[7]**

$$P(X = 0, Y = 1) = \frac{1}{3}, P(X = 1, Y = -1) = \frac{1}{3}, and\ P(X = 1, Y = 1) = \frac{1}{3}.$$

Find marginal distributions of X and Y and the conditional probability distribution of X given $Y = 1$.

(b) Show that the exponential distribution 'lack memory', i.e., if X has an exponential distribution, then for every constant $a \geq 0$, one has $P(Y \leq x|X \geq a) = P(X \leq x)$ for all x, where $Y = X - a$. **[7]**

Q. No.5

(a) A distribution with unknown mean has variance equal to 1.5. Use Central limit theorem to find how large a sample should be taken to form the distribution in order that the probability will be at least 0.95 that the sample mean will be within 0.5 of the population mean. **[7]**

(b) The heights of 10 males of a given locality are found to be 70, 67, 62, 68, 61, 68, 70, 64, 64, 66 inches. Is it reasonable to believe that the average height in greater than 64 inches? Teat at 5% significance level assuming that for 9 degree of freedom $P(t > 1.83) = 0.05$. **[7]**

OR

(a) If X is a normal random variable with mean μ, and variance σ^2, show that the sample mean defined as $\bar{x} = \frac{1}{n}\sum_{i=1}^{n} x_i$ and $S^2 = \frac{1}{n-1}\sum_{i=1}^{n}(x_i - \bar{x})^2$ are the unbiased estimator for μ, and σ^2. **[7]**

(b) A random sample of 500 apples was taken from a large consignment and 60 were found to be bad. Obtain the 98% confidence limit for the percentage of bad apples in the consignment. **[7]**

CENTRAL UNIVERSITY OF HARYANA

Term End Examinations, June 2022

Programme:	M.A. Political Science	**Session: 2021-22**
Semester:	II	**Max. Time: 3 Hours**
Course Title:	Comparative Political Institutions	**Max. Marks: 70**
Course Code:	SSH POS01(108) C5005	

Instructions:

1. Question no. 1 has seven sub parts and students need to answer any four. Each sub part carries three and half Marks.

2. Question no. 2 to 5 have three sub parts and students need to answer any two sub parts of each question. Each sub part carries seven marks.

Question No. 1. Explain briefly any four of the following terms: (4X3.5=14)

    a) Federalism

    b) Organs of government

    c) Separation of Powers

    d) Legitimacy

    e) Democracy

    f) State Autonomy

    g) Judicial Review

Question No. 2.   (2X7=14)

    a) What are the key criterions based on which states across the world can be compared? Elaborate with examples.

    b) What explains the formation and development of states as the main 'units' of politics?

    c) Compare and contrast Presidential and Parliamentary forms of governments? Give examples

Question No. 3.   (2X7=14)

    a) What are the key determinants of state capacity? Illustrate with examples.

    b) Explain different forms of federal organization of governments. Give examples.

    c) Elaborate the role of different organs of governments in a political system.

Question No. 4.   (2X7=14)

    a) Critically examine Peter Maire's notion of party system change.

    b) What is Good Governance? What are the key principles of public policy making and implementation which can ensure good governance?

    c) What are the advantages of a federal form of government over a unitary form of government?

Question No. 5.   (2X7=14)

a) Explain the terms Centralization and Decentralization? What are the advantages and disadvantages of decentralization?

b) What accounts for shifts in party system in a country over time? Illustrate with example from India

c) How the principle of Checks and Balances function in a Presidential form of Government?

Central University of Haryana

Term End Reappear Examinations June 2022

Programme: M.A (Political Science)   **Session:2021-22**

Semester: 3rd   **Max. Time: 3 Hours**

Course title: Foreign Policy of India   **Max Marks: 70**

Course Code: (SSH POS01 (113) C5005)

Instructions:

1. Question no. 1 has seven sub-parts and students need to answer any four. Each sub part carries three and a half Marks.

2. Questions no. 2 to 5 have three sub parts and students need to answer any two sub-parts of each question. Each sub part carries seven marks.

Question no-1   (4x3.5=14)

    a) Define foreign policy.
    b) What is Soft Power?
    c) Explain Non-Alignment Movement.
    d) What do you mean by Panchsheel?
    e) Write a short note on BRICS.
    f) What is SAGAR?
    g) Write a short note on Arms control.

Question no-2   (2x7=14)

a) Write down the main objectives of India's foreign policy.

b) Write a note on Indo-US nuclear deal.

c) Discuss the Indo -Russia defence relations.

Question no-3   (2x7=14)

   a) Write a detailed note on non-conventional security issues.

   b) Critically analyse India's big brother attitude in south Asia.

   c) Write a detailed note on BIMSTEC.

Question no-4   (2x7=14)

   a) Examine India- Bangladesh relations with a special focus on water issues.

   b) Critically examine the neighbourhood first policy of India after 2014.

   c) Write a detailed note on ASEAN and its relevance for India.

Question no-5   (2x7=14)

   a) Cross border terrorism has been a major challenge in Indo-Pak relations.
      Discuss.

   b) Critically analyse China's role in South Asia.

   c) Write down an essay on India's policy towards its neighbouring countries.

Central University of Haryana

Term End Reappear Examinations June 2022

Programme: M.A (Political Science)

Session:2021-22

Semester: 3rd

Max. Time: 3 Hours

Course title: Foreign Policy of India

Max Marks: 70

    f) What is SAGAR?
    g) Write a short note on Arms control.

Question no-2   (2x7=14)

   a) Write down the main objectives of India's foreign policy.

   b) Write a note on Indo-US nuclear deal.

   c) Discuss the Indo -Russia defence relations.

Question no-3   (2x7=14)

   a) Write a detailed note on non-conventional security issues.

   b) Critically analyse India's big brother attitude in south Asia.

   c) Write a detailed note on BIMSTEC.

Question no-4   (2x7=14)

   a) Examine India- Bangladesh relations with a special focus on water issues.

   b) Critically examine the neighbourhood first policy of India after 2014.

   c) Write a detailed note on ASEAN and its relevance for India.

Question no-5   (2x7=14)

   a) Cross border terrorism has been a major challenge in Indo-Pak relations.
      Discuss.

   b) Critically analyse China's role in South Asia.

   c) Write down an essay on India's policy towards its neighbouring countries.

Central University of Haryana

Term End Reappear Examinations June 2022

Programme: M.A (Political Science)

Session:2021-22

Semester: 3rd

Max. Time: 3 Hours

Course title: Foreign Policy of India

Max Marks: 70

Course Code: (SSH POS01 (113) C5005)

Instructions:

1. Question no. 1 has seven sub-parts and students need to answer any four. Each sub part carries three and a half Marks.

2. Questions no. 2 to 5 have three sub parts and students need to answer any two sub-parts of each question. Each sub part carries seven marks.

Question no-1   (4x3.5=14)

  a) Define regional organisation.

  b) Write a short note on Indo -US nuclear deal?

  c) Write a short note on the Indo-Nepal friendship treaty,1950.

  d) Discuss the objectives of Indian Foreign Policy.

  e) Write a short note on Non-Alignment Movement.

  f) Write a short note on SCO.

Instructions

1. Question no. 1 is compulsory and students may attempt any four short notes out of five and each carry equal marks.

2. Programme: The 1 have four and each and students need to answer question ...

Question no. 1

a) Discuss regional cooperation.

b) Write a short note on 'Split' ...

c) Write a short note on the Indo-Soviet friendship treaty 1971.

d) Discuss the objectives of India's Foreign Policy.

e) Write a short note on Non-Alignment Movement.

f) Put a short note on 9/11.

g) Write a short note on Shimla Agreement.

Question no-2   (2x7=14)

a) Write down the main principles of India's foreign policy?

b) Write a note on China's One belt one road initiative.
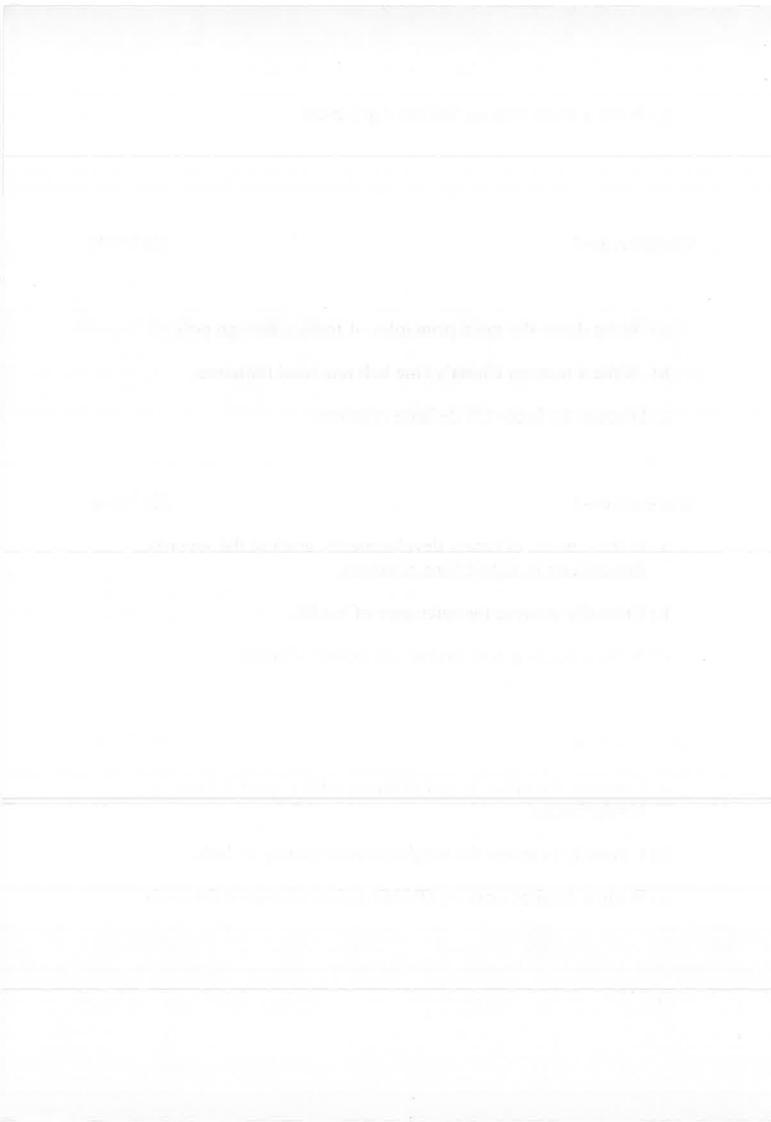

c) Discuss the Indo- US defence relations.

Question no-3   (2x7=14)

a) In the context of recent developments, analyse the security dimensions in Indo-China relations.

b) Critically analyse the relevance of NAM.

c) Write a detailed note on the soft power of India.
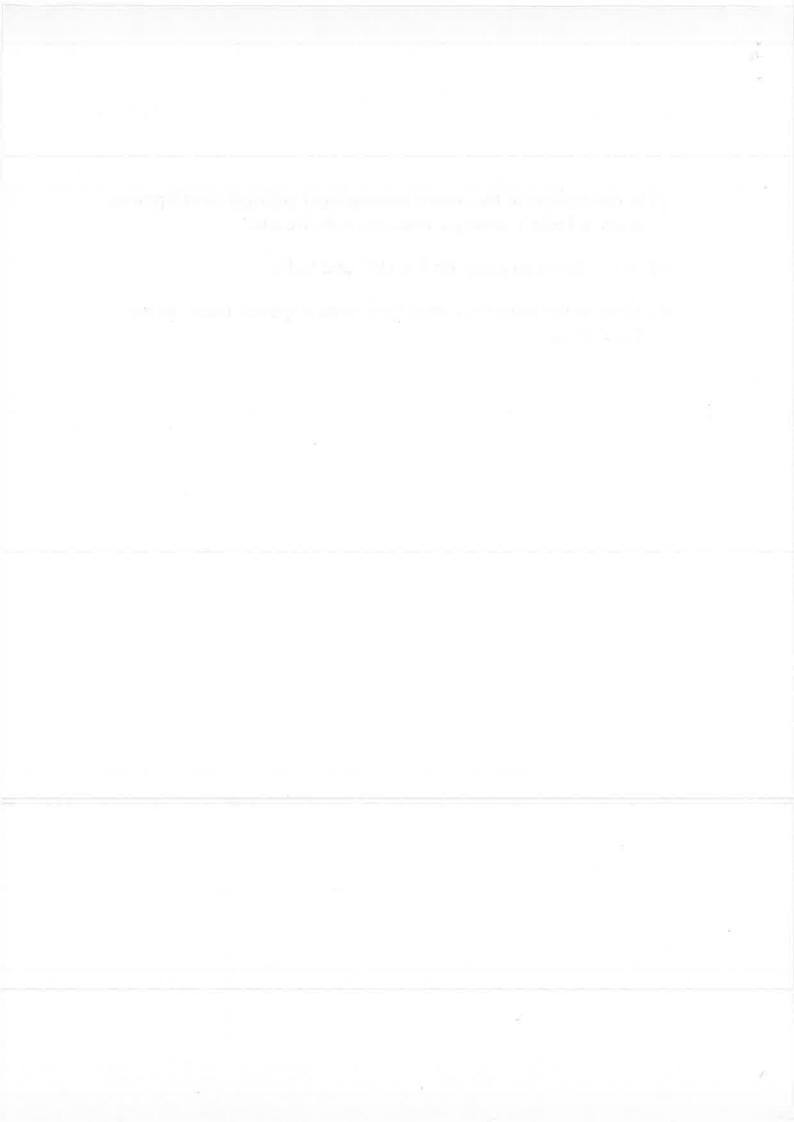

Question no-4   (2x7=14)

a) Examine the India- Nepal relations with a special focus on border issues.

b) Critically examine the neighbourhood policy of India.

c) Write a detailed note on QUAD and its relevance for India.

Question no-5   (2x7=14)

a) In the context of the recent international political development, analyse India's strategic relations with Russia?

b) Write down an essay on SAARC and India.

c) Analyse the Indo-Sri Lanka issue with a special focus on the Tamil issue.

Central University of Haryana

Term End Examinations June 2022

Programme: M.A (Political Science)

Session:2021-22

Semester: 4th

Max. Time: 3 Hours

Course Title: Contemporary issues in world politics

Max Marks: 70

Course Code: (SSH POS01 (125) DEC4004 (i))

Instructions:

1. Question no. 1 has seven sub-parts and students need to answer any four. Each sub part carries three and a half Marks.

2. Questions no. 2 to 5 have three sub parts and students need to answer any two sub-parts of each question. Each sub part carries seven marks.

Question no-1   (4x3.5=14)

    a) What do you mean by the term global energy crisis?
    b) Explain the term world politics.
    c) Highlight the man-made reasons for climate change.
    d) Write a short note on CTBT.
    e) Comment on Boko haram.
    f) Explain the types of migration.
    g) What do you mean by the term nuclear proliferation?

Question no-2   (2x7=14)

   a) What do you mean by identity issue or identity crisis? Give some
   examples related to contemporary times.
   b) What policy tools have been effective in stopping or preventing
      nuclear proliferation.
   c) What challenges do external non-state actors pose to India's
      security?

Question no-3   (2x7=14)

   a) What do you understand by the term cross border terrorism? What
      are the main reasons for it?
   b) Is climate change a natural phenomenon or men made
      phenomenon or both? Explain with reasons.
   c) Why there is so much focus on the non-proliferation of nuclear
      weapons. Is NPT an effective tool for limiting the spread of
      nuclear weapons?

Question no-4   (2x7=14)

   a) How is migration affecting both the source and destination
      country in contemporary world politics?
   b) How globalisation has impacted the world order in the present
      scenario.
   c) Does world politics lead to an energy crisis or does the energy
      crisis leads to world politics? Explain.

Question no- 5   (2x7=14)
    a) Critically evaluate the relation between banana republics and the bargaining power of developing countries in world politics with proper examples.

    b) What do you mean by the term ethnic conflict? Analyse any one event of ethnic conflict in contemporary world politics.

    c) Write an essay on terrorism as a threat to the world and also suggests measures to deal with it.

CENTRAL UNIVERSITY OF HARYANA

Term End Examinations, June 2022

Programme: M.A. Political Science

Session: 2021-22

Semester: II   **Max. Time: 3 Hours**

Course Title: Comparative Political Institutions   **Max. Marks: 70**

Course Code: SSH POS01(108) C5005

Instructions:

1. Question no. 1 has seven sub parts and students need to answer any four. Each sub part carries three and half Marks.

2. Question no. 2 to 5 have three sub parts and students need to answer any two sub parts of each question. Each sub part carries seven marks.

Question No. 1. Explain briefly any four of the following terms: (4X3.5=14)
   a) Federalism
